### **Hiring of Paid RC United Technical Director**

Job ad/description has been released and specifically sent to PEI Soccer connections for spreading awareness. The idea is the TD will support coaches in their learning, develop technical programs for all age groups in the club and run camps/programs all year long and the generation of money from those extra camps/programs will pay the TD's wages.

### **Registration**

1034 total numbers in 2024 season, overall registrations are going up  
RC had 18 teams for 2024 season, this is U13 to U18 as well as senior teams

### **New Business**

Allana- applied for grants for the Exec Co. position. CQ applied for Federal grants  
Applying for funding for post secondary and jobs for youth

### **OTHER**

**ACTION - In need of U15/U18 moveable nets for CQ to maximise practices**  
**Mike - Bluefield has aluminum U18 nets the club can have. We can add wheels.**

**Corey -** TOC said they will prioritise field time to minor sports organizations.

Trevor - concern that more leads are needed to fulfill the addition of running programming at CQ

Allana- Grassroots: Trever & Brittany to meet and create a schedule for ER & CQ for grassroots and see where Leads/staff would be needed on specific days and how many are needed.

Will share job & board descriptions at next mtg

This season RC United will email the Student Coach job to coaches to share with their teams (U15 & up). It was noted to also send to junior high & high school leadership teachers. This is in addition to sending out to members.

International UPEI Students - there is a program that will pay 75% of wages. RC could look into this.

Both ERRSC & CQ boards/presidents must send email to Soccer PEI before their springboard mtg to be voted on at the mtg re: letter to dissolve and REC President, Steven Perry, to send an email stating new board to be continues as RC United.

### **8:10pm END OF RC United AGM**

### **NEXT MTG:**

Wednesday March 12th, 5:45 - Virtual

Allana - to email to send out link
